You have to decide your Final project immediately (last date is 10.04.2020) and let me know what you are planning to do

Send me an email about your project and explain details

My email: furkan.gozukara@toros.edu.tr

Some example projects to give you an idea: MVC using fully responsive

- Web based hospital management system
- Web based school management system
- Web based library management system
- Web based bus / train / ticket management system
- E-commerce website
- Forum website
- Dictionary website

You can decide any project you want. As always, ready projects found from the internet will be graded as 0. I will manually check one of your projects. If school be still shutdown, you will be required to prepare a lengthy video and explain your project on your computer
